

Guidelines for 20 Over Scoresheets

Here is the scoresheet I use for 20 over games

[Modify the scoresheet](#)

I have supplied the Microsoft® Office Visio® file so that you can make your own sheets.

You could put your club logo or name on the sheet

You could print a whole book of them and give a personalised scorebook to each club team.

You could make wholesale changes to reflect how you would like to record a T20 game.

[Print the scoresheet](#)

The pdf file is set to print on A4 sized paper in landscape format.
